Privatization

Definition. Fake news sites deliberately publish hoaxes and disinformation to drive web traffic inflamed by social media. These sites are distinguished from news satire (which is usually intended to be humorous) as they mislead and sometimes profit from readers' gullibility. While most fake news sites are portrayed to be spinoffs of other news sites, some of these websites are examples

[Diane Ravitch - Wikipedia](#)

Under its reign all forms of governments verge towards the democratic. 'The king and the church' are exchanged for the 'constitution and the people.' Liberty, not order, is the word that wakes the dead, and electrifies the masses. A social science is created, and the physical well being of the humblest laborer is cared for, and
