The Children of Castle Rock is a daring new adventure story in the tradition of all good boarding school novels. Lovers of Harry Potter, Malory Towers and The Worst Witch will immediately find something in this new story to identify with. The boarding school setting allows for the all-important parentlessness that so often sets up the protagonists of children's books to have rip-roaring escapades that their parents would never allow. Farrant brings Famous Five-style adventure right up to ...

The Children of Castle Rock is the latest gem in the revival. The story's heroine is "small, pale 11-year-old Alice", who since her mother's death has been brought up by her bohemian aunt, and hapless thespian father. "...Farrant is an accomplished writer, who combines the zest of a school adventure story ("Mega-Super-Fun" is one chapter title), with the suspense of a John Buchan. The only ...
